

creativity power of commitment pdf

Creativity is a phenomenon whereby something new and somehow valuable is formed. The created item may be intangible (such as an idea, a scientific theory, a musical composition, or a joke) or a physical object (such as an invention, a literary work, or a painting).. Scholarly interest in creativity is found in a number of disciplines, primarily psychology, business studies, and cognitive ...

Let's begin by defining Corporate Social Responsibility (CSR). By CSR we mean the results-driven
process in which a business takes responsibility for the consequences of its activities on social, ecological
and economic fronts, becomes accountable for the consequences of its actions and engages in dialogue with
stakeholders on these issues.
