As the women's suffrage movement gained popularity through the nineteenth century, African-American women were increasingly marginalized. African-American women dealt not only with the sexism of being withheld the vote but also the racism of white suffragists. The struggle for the vote did not end with the ratification of the Nineteenth Amendment. In some Southern states, African American ...

African-American women's suffrage movement - Wikipedia

In the ongoing debate over early retirement, frugality, investing, and simple living, one point is often brought up by our detractors. It usually goes something like this: Well, maybe spending less and investing more works for you, but if everybody did it, society would collapse! Our economy is ...
