For 22 years, my dream has been to build the library of everything and make it available to everyone. I know we could charge money, but then we couldn't achieve our mission. The Internet Archive is a bargain, but we need your help. If you find our site useful, please chip in. Thank you. â€”Brewster Kahle, Founder, Internet Archive

### **Curious and useful questions on the - Internet Archive**

He was asking too many questions and he was asking them too quickly. They were stacking up in my head like loaves in the factory where Uncle Terry works. The factory is a bakery and he operates the slicing machines. And sometimes a slicer is not working fast enough but the bread keeps coming and there is a blockage.
