

### **daily life in ancient pdf**

Personal life is the course of an individual's life, especially when viewed as the sum of personal choices contributing to one's personal identity.. In ancient past, most people's time was limited by the need to meet necessities such as food and shelter and there was not much leisure time. People identified with their social role in their community, and engaged in jobs based on necessity rather ...

Freeborn women in ancient Rome were citizens (cives), but could not vote or hold political office. Because of their limited public role, women are named less frequently than men by Roman historians. But while Roman women held no direct political power, those from wealthy or powerful families could and did exert influence through private negotiations. ...
