The Dutch have a code of etiquette which governs social behaviour and is considered important. [citation needed] Because of the international position of the Netherlands, many books have been written on the subject. Some customs may not be true in all regions and they are never absolute. In addition to those specific to the Dutch, many general points of European etiquette apply to the Dutch as ...

There is no shortage of advice on this subject. Not all of it, however, is helpful. For instance, you may find that some will advise you not to cry or show your feelings in any way. Others may push you to do the opposite and expose all your feelings. The Bible presents a more balanced view, one that ...
