GUIDELINES - Implementing a Workplace Health and Wellbeing

In its 2014 decision of *Brinker v. Superior Court*, the California Supreme Court explained that employees must be "relieved of all duties" during their statutorily required 30-minute meal periods. Since that time, however, courts have struggled to define the exact status that employees are entitled to enjoy during the shorter 10-minute rest breaks which are also required by statute.

Product description. The Quicken name typically refers to the core product offering of personal financial management software. The software includes financial planning activities that, historically, people may have done on paper – recording banking transactions, planning a budget and measuring progress against it, tracking investments and their prices and performance.
