

deepening integration in the pdf

Deeper European integration, enlargement of the EU and of the Eurozone, and, especially, deepening forms of risk-sharing, are high on the European agenda. In relation to deeper integration, or even to Schulz's creation of "the Ever Closer Union and those who do not want it should leave"³, it is easy to present the Netherlands as EU-critical.

Deepening EU integration and the Netherlands's EU narrative

integration can be enhanced. The methodology used in analysing the macroeconomic policy framework and their social impact draw upon a set of indicators to measure the impact that deepening SADC integration might have on human welfare and sustainable development.
