Natural religion most frequently means the "religion of nature", in which God, the soul, spirits, and all objects of the supernatural are considered as part of nature and not separate from it. Conversely, it is also used in philosophy, specifically Roman Catholic philosophy, to describe some aspects of religion that are said to be knowable apart from divine revelation through logic and reason ...

Natural theology, once also termed physico-theology, is a type of theology that provides arguments for the existence of God based on reason and ordinary experience of nature.. This distinguishes it from revealed theology, which is based on scripture and/or religious experiences, and from transcendental theology, which is based on a priori reasoning. It is thus a type of philosophy, with the ...

Welcome to Deism! Deism has a lot to offer you! It also has a lot to offer society! Deism is knowledge* of God based on the application of our reason on the designs/laws found throughout Nature. The designs presuppose a Designer. Deism is therefore a natural religion and is not a "revealed" religion.
