

divided into double parts pdf

A dual carriageway (British English) or divided highway (American English) is a class of highway with carriageways for traffic travelling in opposite directions separated by a central reservation. Roads with two or more carriageways which are designed to higher standards with controlled access are generally classed as motorways, freeways, etc., rather than dual carriageways.

The Capital Region having bilingual status obliges its authorities to attend to people and organisations in French or Dutch language as these prefer, and to show street names in both languages on the plates, but does not allow a bilingual school as education belongs to either the French Community or the Flemish one. Geographically, it is an enclave in the Flemish Region, though near Wallonia.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

Amazing news: Researchers in Switzerland have separated an Electron into two smaller quasi-particles – a "Spinon" and an "Orbiton" meaning they have physically separated the spin and the orbit properties of an Electron. Until now, standard physics generally accepted that an Electron was a fundamental particle – that it was not made of smaller components.
