Email marketing is the act of sending a commercial message, typically to a group of people, using email. In its broadest sense, every email sent to a potential or current customer could be considered email marketing. It usually involves using email to send advertisements, request business, or solicit sales or donations, and is meant to build loyalty, trust, or brand awareness.

What Is "Affiliate Marketing"? Well, here's our (somewhat long-winded) definition: If you've been listening to us for long, you've learned that bloggers make money by building an audience that trusts them, and then offering products or services that will genuinely help that audience.. Affiliate marketing is really just a quicker way to offer products and services without creating ...
