Community Reviews. Emeline is a strong female character, and I found that I strangely enjoyed the fact that she had killed her boyfriend and most of her family when they had turned into mutants. It had many "gasp" moments, as well as "have to read just one more chapter even though it's already 1 a.m." moments.

Because changes in mutant phenotype severity over generations are unusual, we asked how repeated selfing of Arabidopsis CAFâ€•1 mutants affects phenotype severity. CAFâ€•1 mutant plants of various generations were grown, and developmental phenotypes, transcriptomes and DNA cytosineâ€•methylation profiles were compared quantitatively.

Transgenerational phenotype aggravation in CAFâ€•1 mutants

In free towns, engineered humans mingle with mutants and pure stocks, free willed android mercenaries and self aware robots, gathering to trade food, water, power cells, slaves, scrap material and relic treasures, as well as to form excavation teams to uncover the precious loot found in the ruins of the Ancients.
