Econ 101: Principles of Microeconomics

Business strategy - Usually occurs at business unit or product level emphasizing the improvement of competitive position of a firm's products or services in an industry or market segment served by that business unit. Business strategy falls in the realm of corporate strategy.

LESSON 1 Concept of Corporate Strategy

This strategy maximizes the rent you can collect throughout the game. Early purchases may deplete your cash, but you should be able to recoup your investments as other players land on your properties. Aim for monopolies. If you are able to buy all the properties of the same color, you hold a monopoly on that color group.
