Amazon tax collection policy has changed over the years. In the U.S., state and local sales taxes are levied by state and local governments, not at the federal level. In most countries where Amazon operates, a sales tax or value added tax is uniform throughout the country, and Amazon is obliged to collect it from all customers.. Many U.S. states have passed online shopping sales tax laws ...

The following table shows information about wealth distribution in different countries, from a 2013 report by Credit Suisse. Wealth can be negative for people who are in debt, and if there are enough people in debt in a country, the Gini coefficient can be greater than 100%, as seen in the case of Denmark. The Gini coefficients for wealth are often much higher than those for income.
