relegated to myth in favor of the first crossing myth. And although Mountains of the Mind carries the reader to mountains across Europe and Asia, The Artificial Horizon is able to lift a greater diversity of valuable voices to the light by probing deeply into a multicultural landscape with thousands of years of myth and history layered upon it.

Mountain Symbolism and Geographical Imaginations

On that same trip we visited Chatsworth, the house that plays Darcy's stately mansion in the film. We wound through the white marble statues and looked into their veiled faces, marveled at the reflecting pool and strolled through the gardens. I can still see snatches of it in my mind, and they mingle with movie scenes.
