So naturally, I have always wanted to have my own solar power farm. Until now, various excuses kept me from getting it done: no great places to put panels on the roof of my main house, slightly unfavorable local regulations, but mainly a lack of knowledge of exactly what to buy and how to install it.

This is exquisite. This is my year of exploring the open and closed doors in my life. I have been slowly collecting photos and drawings of doors and stairs to make a collage to go with some writing I am working on to sort out the connections between the doors that are locked and some are just ajar.
