Hong Gildong has been called the Korean Robin Hood, but really oversimplifies the story. It is both an awesome adventure tale with dragons, magic, assassins, demons, bandits, and betrayal, and a complex human drama, where one young man must find and understand his place in the world.

Magic — Myths and Legends

A myth is a sacred story from the past. It may explain the origin of the universe and of life, or it may express its culture's moral values in human terms. Myths concern the powers who control the human world and the relationship between those powers and human beings. Although myths are religious in their origin and function, they may also
