You should study simple gear trains to satisfy the course requirements. However, more detailed links have been added below, if you feel there is a need extend your own learning. A series of maths based questions and answers are also included, although these are unlikely to appear in the examination (according to the sample paper).

### **THE NEW DESIGN AND TECHNOLOGY GCSE**

In the United Kingdom, the General Certificate of Secondary Education (GCSE) is an academic qualification, generally taken in a number of subjects by pupils in secondary education in England, Wales and Northern Ireland. State education in Scotland does not use GCSEs, instead its Scottish Qualifications Certificate operates National / Intermediate exams at the equivalent level, however, certain ...
