The Sonderfahndungsliste G.B. ("Special Search List Great Britain") was a secret list of prominent British residents to be arrested, produced in 1940 by the SS as part of the preparation for the proposed invasion of Britain codenamed Unternehmen Seel we (Operation Sea Lion). After the war, the list became known as The Black Book.. The information was prepared by the Reich Main Security Office ...

The Black Book - Wikipedia

There could not have been a singularity in the very beginning bc it would have been a single particle which could not explode without having an influence by another particle.
